

# JERSEY VILLAGE SENIOR OUTREACH

## Monthly Programs Newsletter

NOVEMBER 2021

Cooler nights ~ harvest time  
fall blessings ~ gobble til you wobble  
kind of month

The fall weather brings on a lot more  
JV community and JVSO events as  
we move into the holidays.

Check out the events in this  
newsletter and the weekly emails  
and mark your calendars to attend.

### Info about registering for an event online...

All online event registrations must be filled out by each member in attendance. Signing up one person in the household does not automatically register both. This is important for events that have a limited number of seats or food is being ordered for the number in attendance. Please sign up both members of household that want to attend. If you need help email questions to [jvsorequest@gmail.com](mailto:jvsorequest@gmail.com).

## Member Spotlight

This month we are pleased to feature member and neighbor Doyle Stuckey in our Senior Spotlight. Please click on the link below to get to know Doyle better.

The Jersey Village Emergency Services Lock Box Program is designed to allow for Firefighters and Emergency

Medical Technicians to gain faster access and to limit damage to homes and businesses during emergencies when no one is available or physically able to open the door. This box is mounted to the home on an outside door so that during an emergency, the Fire & Medical Service Personnel can immediately use the keys locked inside the box rather than causing damage to the structure in order to gain entry. The entry to the lockbox is controlled by emergency services. To have a lock box installed contact JVFD at 713-466-2130. You will need a spare key to an outside door knob that will hold the lock box.

### The Answer is 7

First equation gives Square=2  
Second Equation gives Triangle = 3  
Third Equation gives Circle = 1  
Last equation is then  $1+2 \times 3=7$
