

JERSEY VILLAGE SENIOR OUTREACH

Monthly Programs Newsletter

DECEMBER 2021

December 1st rolls around and you know what that means. Cue music: "It's beginning to look a lot like Christmas." We hope you can enjoy the sights and sounds of the holiday season.

- **Holiday music:** There is no avoiding the cheer of holiday music wherever you go this month. In the car, stores, gym, restaurants, or even in your own home.
- **Christmas lights:** Jersey Village has had an increase in lights the last few years. Drive around and enjoy the pretty lights.
- **Holiday attire:** Wearing a little green and red can help put us in the festive mood. And some are on the search for the ugliest Christmas sweater.
- **Christmas flavors:** Candy canes, hot chocolate, gingerbread; indulge during the holidays to taste the spirit of the season.

IN LOVING MEMORY

WE ARE DEEPLY SADDENED TO SHARE
JERSEY VILLAGE SENIOR OUTREACH
LOST A MEMBER IN OCTOBER.

Barbi Freeman passed away on October 10, 2021. Barbi and Larry moved to Jersey Village in the mid 60's, and Barbi was a pillar of this community for over 50 years. Through the years she helped with many community projects and was on several JV committees. She definitely made a difference in our community, and loved doing it because she loved JV. Barbi is survived by her husband, Larry, sister Cathy, and other family members in Illinois.

Needlepoint Corner.

Have you ever heard of a temperature blanket? It's like a journal made of yarn. The basic idea is that you knit or crochet one row per day of a blanket in a color that coordinates with the temperature. JVSO will be hosting a guest presenter, Martha Dunkelberger, sharing her experience with her own temperature blanket and providing insights on creating your own. You do not crochet or knit but desire to learn? We have several Needlecrafter attendees who will be glad to assist you in learning this craft. Please join us on **Monday, December 6, at 11 a.m.** at the Jersey Meadows Golf Course.
