JVSO members are invited to join our monthly meet up to assist. You can participate anywhere by crocheting and or knitting one or more 7" by 9" squares and drop them off at a monthly meet up, or someone would be glad to come pick up them up. ### JVSO MEMOIR CLASS

How often have you wished you had a collection of stories about your parents? For so many of us those wonderful stories are lost forever. Fortunately, it's not too late for you to create such a collection for your children and grandchildren, because there will come a time these memories will become a beloved gift.

JVSO offers a memoir class that will help you do just that - put together your memories in a fun and creative way with expert instruction from one of our own members. We meet twice a month, every other month, and decide on our prompts. We write our stories at home and meet again to read and discuss what we have written. It's amazing how many different ideas can come from one prompt! And if you prefer not to share, that's fine too - just come and listen and perhaps get ideas to help you with your writing. If you would like to join us, or even just come and try out a meeting, check out the JVSO calendar for the next date, [www.jvso.org](http://www.jvso.org), or call 832-680-5158. We would love to have you join us!

### THE STAR-SPANGLED BANNER

This was the only U.S. flag to have fifteen stripes. The 2 stripes were added in 1794 when Vermont and Kentucky entered the Union. In 1818, Congress proclaimed that one star for each new state would be added on the 4th of July following the state's admission to the union and there would be thirteen stripes representing the thirteen original colonies. The 15 striped flag is in the Smithsonian due to its significance at Fort McHenry in 1814. The flag is 30x45 ft.
