

# JERSEY VILLAGE SENIOR OUTREACH

## MONTHLY PROGRAM NEWSLETTER

October 2022

As temperatures decrease, activities start to increase. We are getting into a busy time for all community activities. Stay informed, read your weekly emails, watch our Facebook page.

For those experiencing or caring for someone with signs of memory loss, or for those that want to help build memory function, it can be a challenge to find activities that are engaging and entertaining. Harris County Public Library offers Memory Kits, created to provide emotional stimulation and conversation starters. Each kit includes...

- Books
- Music
- Coloring pages
- Movies and more!

There are several to choose from to check out. If you have any questions, ask a HCPL librarian and they can help you get one of these wonderful kits.
