

# JERSEY VILLAGE SENIOR OUTREACH

## MONTHLY PROGRAM NEWSLETTER

November 2022

Happy Fall  
Y'all!

**amazon**smile  
You shop. Amazon gives.

Holiday shopping is among us and many of you order through Amazon, but there is a way for JVSO to get a percentage of all your orders and it doesn't change the price you pay. Since starting a JVSO Smile account a few years ago, we have received \$450.21 from Amazon just from a few members ordering through smile.amazon.com (instead on amazon.com). If more members order using smile.amazon.com, this would be a nice supplement to our budget, which is used to support all JVSO activities. Follow these steps to set JVSO as your charitable organization, and we will start benefiting with each order you place.

1. Visit smile.amazon.com.
2. Sign in with the same account you use for Amazon.com.
3. If prompted or in the charity section on top left corner, select **Jersey Village Senior Outreach Corp**
4. Shop through smile.amazon.com every time you order to generate donations for JVSO.

## Member Spotlight

This month we turn the spotlight onto member and neighbor, Bill Dillon. Please click on the link below to get to know Bill better. <https://jersey.helpfulvillage.com/pages/10060-senior-spotlight>

We have brought up scams often over the years, but they are exponentially growing in numbers and types.

We know of three JVSO members that almost fell for a scam recently. This is not meant to scare you, just to make you aware.

Here are some examples to beware of:

- If you get an email that looks legit, you may know to NOT click on any links in the email, but you should also not call the phone number in the email. The person you call might either try to get you to pay for something, or download something to your computer which will give them access to everything on your computer. Hang up and call the company directly.
- Gift cards seem harmless as gifts, but scammers have come up with creative ways to use them. In 2021, over \$148 million lost to gift card scammers. Calls could be from IRS, Social Security, or power companies telling the consumer they are liable for penalties; Amazon or Apple to pay to continue service; or even "law enforcement" to pay a fee to avoid a warrant. They threat something bad will happen if you do not pay right aware. Again, hang up and call the company directly to inquire about the issue.

**BE AWARE – BE ONGUARD – BE SAFE**

November 8th is Election Day
