

JERSEY VILLAGE SENIOR OUTREACH

Monthly Programs Newsletter

SEPTEMBER 2020

JVSO Members,

PERSEVERE = "Continue on a course of action even in the face of difficulty."

That is just what we are doing. We have new activities popping up in September in hopes of providing a variety of topics to capture different interests of members.

As we look to the future, in hopes of cooler temperatures, JVSO Steering Committee will continue to consider all options with delivery of activities/events. Although September delivery method will still be virtual, watch weekly emails to see if any changes are made for our future.

Even though we have only joined together through Zoom for the past 5+ months, people are developing friendships and getting to know other members, as if it were a live event.

Better Business Bureau presented to JVSO last year and shared helpful information about the latest

scams and fraud, especially with seniors. 2020 has been a different year and as you can imagine there are new scams and frauds people need to watch for. Mark your calendars now to join us on September 29th at 10:00am. A Zoom link will be in the Sunday email.

JVSO is about to roll out an updated website managed through *Helpful Village*. Watch for emails containing login information, video tutorials, and much more support from this new website.

Are you curious about ideas that can change you or the world? Join us to view a Ted Talk and then talk about it! TED (Technology, Entertainment, Design) is a nonprofit devoted to spreading ideas, usually in the form of short, powerful talks/videos from expert speakers on science, business, technology, personal development, creativity and much more.

Let's Talk TED Talk, hosted by Jo Hewett,

Monday, Sept 14th, 7 pm.

Featured talk: *10 Ways to Have a Better Conversation* by Celeste Headlee
